

## *Stories of Faith* Northside Neighborhood House -

### **THANK YOU HUMC!**

HUMC is grateful for the gracious hearts of its congregants. With your help, we have provided many students with the supplies they need to succeed in the coming school year. Read more about the NNH below:

Since 1924, the Northside Neighborhood House has focused on empowering residents north of the Tennessee River to create thriving communities across northern Hamilton County. From ensuring individuals are housed with working utilities to supporting students in achieving academic success, the NNH focuses on creating relationships and connecting individuals to supports that aid them in creating stability for themselves and their families.
