# UPDATE

## Worship Workshop

Mark your calendars for August 1st-3rd! If your student has any interest in being a part of the student band, we are having a three-day workshop, 10am-3pm each day, to discuss a theology of worship, hear from experienced worship leaders, and bond as a group. Then, the group will help lead part of our final Worship Wednesday on August 3rd. Anyone is welcome to participate, and it is free! Lunch will be provided each day to participants. Email Jackie if you are interested in this last big event before school starts back!

Please fill out the August 7th Google form below if you haven't yet!
