Offering Hope, Help, and Healing in Christ.

Stories of Faith: HUMC Children & Youth

Three Things to Know This Week

1. Greeter Ministry - Ongoing Need

- The greeter ministry is vital for extending hospitality to both our first time visitors, as well as our long time members. The greeters are the first to welcome guests to Sunday services, and we need more of these friendly faces! If you or someone you know would be interested in becoming a greeter please contact Pastor Drew.

2. Trip to UMCOR Disaster Relief Warehouse - Sep. 16th

- On September 16th we will be joining together with Burks UMC to spend a day working at the UMCOR warehouse in Decatur, Alabama. Together you have raised just over \$17,500 dollars for their mission work, and that's truly amazing! So let's continue that good work! If you're interested in joining us for this upcoming mission day, then please contact the church office.

3. Senior Care Resource Seminar - Beginning Sep. 22nd

- Rising from needs within our own congregation, Colin Lord and the Friendship Sunday School class invite you to an important Senior Care Resource Seminar on Thursday, September 22 from 1:30-2:30pm at the church. The Guest speaker, Frankie Parrot, will focus on the types of needs that are frequently associated with aging, the resources available in our community, and a brief overview of typical costs and insurance qualifications.
